Schedule and Themes

SESSION I: June 5 - 30

Week 1: If You Build It!

sculpture and design as we reuse and repurpose plastic bags, bottles, caps, cans, and other materials.

Week 2: Art Attack!

Students will explore the artwork of Vincent Van Gogh and create their own masterpiece.

Week 3: Sports week

Ready, set, go! This week students will focus on the fundamentals of various sports.

Week 4: Celebration!

Students will celebrate traditions & holidays around the world. Students will wrap up the week by sharing their favorite dish.

No summer program on July 4th

SESSION II: July 3- July 28

Week 5: Making Connections Bricks & Books

Calling all brainiacs and master builders! Build your way through reading and writing skills using legos.

Week 6: A'hoy Matey

This week students will be learning all about map skills. Students will make their own treasure map.

Week 7: Destination Southwest

Students will be studying and creating land formations.

Week 8: You cook it!

This week students will explore how to make culinary delights.

Register by May 31!
