Salam Academy

Carnival

The school carnival was a great success. Thank you PTO members and all of our amazing families for making this event a great success. Our students had a great time.

Summer Reading

It is crucial to keep students engaged academically during the summer break. All of our incoming 4th-8th grade students will be reading one book; will create a comic book (I will provide the template). I will email the template and send a paper copies as well

**Incoming 4-5 Percy Jackson and the Olympians
by Rick Riordan**

**Incoming 6-8 Elijah of Buxton by Christopher
Paul Curtis**

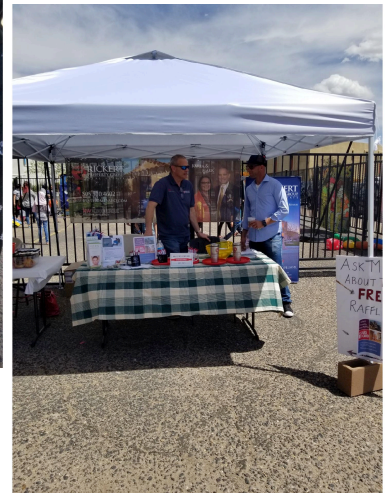

Star

Assessment

I am pleased to announce that students have completed Star Testing. Star Testing is standards-based, computer adaptive assessment that measures students reading comprehension, monitors students reading comprehension, monitors achievement and growth and tracks understanding of focus skills aligned to the Common Core State Standards. After each testing session is complete teachers use the assessment data to guide their instruction. We are proud to have such dedicated teachers! Bravo

Save the Date!
