## High School News

Our high school students are making tremendous strides. Our students are not only dominating in academics, but are becoming pivotal members of our immediate and extended community. Our HS and middle school students recently volunteered at the NM food bank, and the employees were impressed by their work ethic. Bravo students!

## Fencing

We are proud to announce the fencing project is nearing completion. The extra fencing provides added security and additional room for students to play in.

## Accreditation

The accreditation process has come to an end. Thank you parents for supporting our school, and meeting with the accreditation team. The accreditation team will send the school a detailed list of improvements in order to continue on our improvement journey. I look forward to sharing the results
