- 1 package of paper plates
- 1 pack of toilet paper
- 1 package each of spoons and forks ( no knives please)
- 1 bottle of hand soap
- 1 bottle of hand sanitizer
  
- -A re-usable water bottle (We have an awesome fountain in the school specially designed for refilling bottles so we do not need to bring single-servings of water to class where Mr. Warsaw has to empty and recycle them everyday)
- - No glitter (except glitter glue) allowed in Mr. Warsaw's classes as it is too difficult to clean up and is bad for the environment.
- - Finally, I recommend that all students in my classes have an Albuquerque Public Library card. While my personal class library and our school library have grown over the last year I can not satisfy every student reading taste and want to ensure that every kid is able to find books that they truly want to be reading to satisfy their personal reading goals:)
